Users can share their experience about the LordsofInfinity.com via Facebook and Twitter also one can share directly from the site itself by using sharing buttons at end of every post . The site was created by two friends who were fed up with the constant adverts and pop ups while playing games online. The website is free to use and has no login requirements. There are no advertisements on the site and the games provided are open to anyone to play. Lords of Infinity was created in 2012. It started of as a small website with a collection of dress up games and has since gained popularity by adding many more games. Currently, the site has over 5000 registered users. The site also provides a feedback forum to its visitors where they can discuss and give suggestions for different games on the site. Another interesting feature of Lords of Infinity is that it regularly comes up with new puzzle based escape room games which are free to play. The main objective behind creating this website was to provide unique fun filled online gaming experience to people around the world without any forced ads or pop ups . The site is mainly targeted towards young adults. The majority of its visitors are between 15 and 19 years old. Lords of Infinity was created in the year 2012 by two childhood friends hailing from Dallas, Texas, US. The website was created with the sole purpose of providing a platform to play online puzzle games without any forced advertisements or pop ups. There were many times when they had to leave a game they were playing in order to get away from pop ups which kept appearing on their screen. With this in mind, they decided to create a pure gaming website for people to enjoy without any distractions. They created Lords of Infinity with a small collection of games that offered fun and entertainment while playing them .
